**Customer Agreement**

Welcome to Fantasia! We want our customers to feel special, make money and look good while doing it. We have a few simple guidelines that keep our store unique.

**HOW IT WORKS:**

We accept consignments on **Wednesdays and Saturdays 10-5** or call for an appointment. All items must be clean and in like-new condition. Clothing can be brought in on hangers (which are returned to you) or neatly folded in shopping totes. Please no more than 15 items per visit.

**Fantasia will display your items for 60 days.** We run periodic sales and markdowns to help items sell. **You will receive half the selling price.** You can spend your credit in the store or take your money anytime during business hours. We automatically send out checks on accounts over \$50.00 once a month. Stop by or call anytime to check your account.

In the event that something doesn't sell, stop in to collect your unsold items between the 50<sup>th</sup> and 60<sup>th</sup> day. It is your responsibility to keep track of the 60 day selling period. (We don't charge any fees when you pick up your items.) After 60 days, if uncollected items don't sell, Fantasia takes ownership and donates items to a great local charity. The Spring season begins February 15<sup>th</sup> and Fall begins August 15<sup>th</sup>.

**Thanks for choosing Fantasia. We look forward to a long and profitable relationship!!**
